**CHAPLAINS MESSAGE**

This time of year can be compared to what is called in the phone business, "a dead zone!" Once the Super Bowl is over it seems as if there's not much to do except to wait for spring. Perhaps that's why Valentine's Day has become such a big holiday. It serves as a highlight in the midst of an otherwise empty winter season. Valentine's Day celebrates love. However, the focus is usually on what might be called romantic love. That kind of love is wonderful and even serves as the foundation for engagement and eventually marriage. Even after the wedding there should be romance in the marriage! However, a shallow preoccupation with romance can miss the bigger picture and the beautiful teaching of the Church. Without commitment there can never be true love. Our culture's preoccupation with sexuality, the prominent acceptance of sex outside of marriage, artificial birth control, and abortion are the painful consequences of an inadequate understanding of love. The Church has so much to offer, but unfortunately our voice is often silenced in our culture. We have our work cut out for us. Valentine's Day is a wonderful celebration and a welcomed break in the midst of winter. It can also be a reminder to us to lovingly proclaim the truth of the Church about love, a love that gives life, and not a love that takes it.

## MESSAGE FROM YOUR GRAND KNIGHT

From time to time I have had the privilege to attend Knights Meetings at other councils. Both in New Jersey and out of state. The meetings are run, as one would expect, in remarkably the same manner. After speaking to members and officers after the meetings, there is the same reoccurring theme "We need younger members. We get little involvement by our members in programs that directly benefit them and we don't get recognition for our deeds in the Columbian Magazine." It is gratifying to know that we all share the same problems. We are not unique in that respect.

Our council is extremely fortunate that we have been able to start a trend of younger membership, due to the hard work of members supporting our Squire Circle and actively recruiting younger members. However, how to get more of our members to participate in our other programs is a question which I have to refer to our membership. There comes a time when we have to learn in order to grow and to learn is to listen. Let your Grand Knight and Officers hear how you think we can improve membership participation in our programs. We need our own Stimulus Package. We need committee members, program directors and help in many areas. Some say that if we don't get more membership involvement we will never be able to get our own home. I strongly feel that the problem may be much deeper. We can not survive as a successful council unless we get greater membership participation. Tell us how you think we can better motivate our Brother Knights? I ask, however, that you keep one thing in mind and that is the use of the words "We should". That word "We" should include the word "I". To suggest a program or an action without self participation is unworkable. Too many of our programs have been approved by the many and participated in by the few.

**Vivat Jesus John Pescatore G.K.**

## INSURANCE MATTERS

The laws and rules of our Order, as well as state (provincial) laws, specify that the Knights of Columbus may accept insurance applications from members only. As a member, you may apply for insurance on yourself, your wife and your minor children.

The Order's Board of Directors has taken action, though, to assure that a Knight's widow maintains the right to purchase additional insurance for a limited time. This can be of great benefit and comfort to those we leave behind.

This "right to apply" is available only to the widows of insured members. If a member has not availed himself of our highly rated life insurance program, or purchased an annuity or long-term care policy, this benefit is not available to his widow.

But if the member was an insured member, his widow has the right to apply for additional insurance on her life and on the life of the member's minor children. This right must be exercised within one year following the Order's receipt of proof of the insured's death.

Know two things. First, I'll assist your widow and children in any way possible if you should die, both with your Knights of Columbus insurance and any other life insurance you may have. Second, I'll provide them my best professional advice and service, to assure that they have adequate insurance protection.

I have no greater responsibility.

Please give me a call.

**Bob Dodds (609) 978-6396**
