CHAPLAINS MESSAGE

Many of our members are veterans as is my dad. Recently, he shared something he heard after the War. A German soldier had admitted that one of the reasons they had been unable to defeat the Americans was due to their spirit. In most cases, when an officer is killed, the surviving soldiers will give up. That was not the case with the Americans. There was always someone that would arise to the occasion to take charge, and the battle would continue. It was difficult to fight against that. This spirit that recognizes that each person has the potential for leadership is a vital part of the dream that became our great nation. The lands from which our citizens have fled and continue to flee are based on a very different vision of society. Those other governments believe that there are those in charge, and those underneath them. In sharp contrast, our form of government is based on the principle that it exists to serve the people. It is one of the many reasons we have been a great people and a powerful nation. That same spirit is reflected in the principles of our Order – Charity, Unity, and Fraternity. It is one of the reasons for our continued success. As we reflect on the blessings of living in this great country during this month of Independence, may we also reflect on that spirit that has made us a great nation and a great Order. To keep it simple, we can say that the spirit of America and the Knights of Columbus is: We're all in this together. Let us continue to help one another and continue that incredible dream that is America.

Fr. Ken

MESSAGE FROM YOUR GRAND KNIGHT

I am honored that you, the council members of 3826 had the confidence to elect me as your Grand Knight. I am sure I can speak for all our newly elected Officers when I say “*We are proud to serve.*” We are anxious to get started working on all our charitable and fundraising projects that are lined up this year.

At the close of our last meeting many of you came to me asking how you could help. Some asked to be on committees, some asked to be involved in advisory positions and some knew others who could get involved. With that kind of enthusiasm at the start of this new term I see a great awakening in our council. It’s the “*We Can Do It Spirit*” that is needed and welcomed. I hope that spirit continues to grow within us as the year progresses. All that is needed is a positive outlook and “*We Will Be Successful*” in all our endeavors. Remember we do have a great deal of work to do.

I would also like to thank our retiring District Deputy Ed Kelly for all his hard work and dedication to our council and to all the Knights of Columbus members. My wish to him is for a long healthy life and that his input and humor will continue. I would also like to thank our outgoing Officers who have given us countless hours of their time.

Note: Some small changes that I believe every successful organization should under go.

1. Include an annual events calendar in our newsletter so you can see at a glance the events planed by our council months in advance.
2. Special calendar planning meetings for new and existing events and fundraising activities.
3. If you have a new idea or fundraiser you would like to see on the calendar you must attend the calendar planning meetings and make your proposal.

Oh, one more small thought, you all know my reputation as “*A man of many words*” so for now I’m keeping it short. Keep up the good work, keep smiling, and remember God loves us all.

Thank you, Frank Ingrassia, GK. Vivat Jesus

INSURANCE MATTERS

A new fraternal year is upon us. Congratulations to the newly elected and appointed council leaders. I'm sure you have a list of things that you want to accomplish during the coming year. I'm eager to help.

One of these goals is likely the attainment of the Star Council award - the most prestigious award the Order offers at the council level. I'm certainly committed to helping on the insurance side, but I'll be glad to help on the membership side as well.

If you know an eligible Catholic man who might be interested in joining the Order (and who among us doesn't), he's probably just waiting to be asked. I can help you, either by approaching him myself, or by "coaching" you - transferring sales skills that you can use to recruit him and other prospects. As always, I'm at your service.

What would be helpful to all of us would be an early start on those goals, rather than waiting until May or June. Let's get an early start on award season this year.

Bob Dodds (609) 978-6396
