CHAPLAINS MESSAGE

Everyone is not only waiting for Spring to arrive, but also for the economy to rebound. We know that eventually it will. It's just that we want it sooner rather than later! As Knights, our history is very close to those who are struggling. The first members of the Knights of Columbus were mostly from other countries and found themselves in difficult times. They struggled against financial realities and prejudice. It was the vision of Father McGivney to come to aid of those in need. He had the foresight to create a means of support to last into the future. His dream is a reality with the incredible generosity of the Knights today and the very vital and strong insurance program that they offer. We can certainly be proud of our history, but we should also be inspired to live up to this great legacy of vision and charity. In challenging times, complaining and worrying accomplishes nothing. It is men of action and inspiration that solve problems and get things done. Let us be true to our past and help each other and those in need to steer this boat through these difficult times to a peaceful harbor. As Knights we have a tradition to uphold and a contribution to make. Men, keep up the good work! God bless!

Msg. Ken, Chaplain

MESSAGE FROM YOUR GRAND KNIGHT

I might not be the sharpest tool in the shed. I don't hold a PHD and I never went to Law School. I guess I have an average IQ and I do have a Masters Degree, but I am far from what I would consider an expert in any field. Maybe that is why I don't seem to get how the so-called experts view our history. The intellectuals who are appointed to review our laws and sit in our highest courts seem to miss the, oh so obvious fact that our forefathers wrote laws to protect us from government sponsored religions not to prevent us from publicly declaring the presence of God. One only has to look at the history of the times in the midst of which the constitution was adopted to recognize its authors' intent. The courts should affirm that the government has no rights; it has only duties. It is ordained to serve the people. Not to restrict there freedom of expression but to protect their right to publicly proclaim the existence of God.

Vivat Jesus John Pescatore G.K.

INSURANCE MATTERS

Whole life insurance calls for premiums to be paid for your entire life, or to age 100. You may want to consider a permanent life insurance product – one with guaranteed cash values – that offers a limited period of premium payments. The Knights of Columbus offers three permanent life insurance products for which premiums do not have to be paid for all of life.

“Twenty Pay Life” is exactly as the name suggests – a permanent plan with premiums payable for only 20 years. After the premiums are paid for the 20 years, the plan is “paid up” and no more premiums are due. Unlike its term counterpart, however, the plan stays in force, the death benefit remains intact and the guaranteed cash value continues to grow.

Another such plan is our “Life Paid Up at 65.” You buy this permanent product and you only pay premiums to age 65. Then, premiums stop (just in time for retirement), but the plan remains very much in force.

Finally, the ultimate in limited pay is our Single Premium Life product. Imagine buying life insurance – permanent life insurance – and only paying one single premium? It’s possible.

I have detailed information on all of these products. At your convenience, I’ll meet with you and your spouse to perform a free, custom-tailored needs analysis, to help determine which of our many life insurance products is right for you and your family.

Please give me a call.

Bob Dodds (609) 978-6396
