CHAPLAINS MESSAGE

Every Catholic, which means each Brother Knight, should have a Bible, and it should be read. Most are familiar with the Gospels and probably the Psalms. One book that might be overlooked is one that is very prominent in this Easter Season. It is the Acts of the Apostles. During Easter, rather having a selection from the Old Testament as is customary throughout the year, when we go to Mass in this season we hear first from this important book of the New Testament. It was written by St. Luke the Evangelist, who wrote the third Gospel, so it is often considered as a Volume II to the Gospel of Luke. It comes after the Gospel of John and is the story of the early Church and the spread of Christianity. Its' heroes are St. Peter and St. Paul. We are accustomed to making sacrifices in Lent. I would encourage each Knight to take the time to read through the Acts of the Apostles during this Easter Season. It would be a wonderful way to reflect on the meaning of the Resurrection and be inspired by the early beginnings of our Church.

Msg. Ken

MESSAGE FROM YOUR GRAND KNIGHT

In the month of May we remember the **Blessed Mother** and our own Mothers who brought us into this world. The love of a Mother for her children is something very unique that only a Mother can give. Motherly love can be seen in every living creature, just look around at the birds building nests or other wildlife caring for their young. Mothers protect and nourish their off spring from the time of conception, then at birth and all her life. Her love never ceases. So, the loss of her child is more painful then we could ever imagine. Our Blessed Mother Mary watched her son **Jesus** endure the most painful death on the cross so we could be saved. The same loss is felt when a Mother hears about her son or daughter who has made the ultimate sacrifice in the line of duty, so we can live in freedom.

The month of May is also **Memorial Day** we remember and honor those who paid the ultimate price for our freedom. Memorial Day (once known as Decoration Day) the placing of flowers and decorating soldier's graves started during the Civil War years. It was a day of mourning, a sacred day of remembrance to honor those men and women who paid the ultimate price. Some years later after World War One it was renamed Memorial Day and VFW Posts started selling the Poppy flower and used the money to decorate the graves. Some of us remember not too long ago that stores and businesses closed for the day, flags were at half-mast and parades were held honoring the fallen. Wreaths were placed at monuments and cemeteries, and Memorial Day speeches were given. I can remember our family driving to the cemetery on that day to clean and decorate the family graves with flowers and small flags as we offered prayers for our deceased family members. We should remember with sincere respect those who paid the price for our freedoms. We should never let them be forgotten.

Over the years the original meaning and spirit of Memorial Day has faded from the public consciousness. It's another Sale Day for the retailer and for some of us, a day off from work and a back yard barbeque.

So, teach your children the true meaning of **Memorial Day** and return to the original day of observance. Let us remember to reflect and visit the cemetery to decorate the graves of the fallen. Let us renew our pledges to aid and assist those wounded soldiers here at home and the families of the fallen whom they have left behind.

We cherish too, the Poppy red that grows on fields where valor led; it seems to signal to the skies, that blood of heroes never dies. WWI Poem by: Moina Michael

One more thing we need to remember is to proudly display our flag and never disgrace it.

"We are proud to be Americans and we will always be "One Nation under God"

"God Bless America"

Reminder, May 15th 9 AM Mass at the Pines & Communion Breakfast at 10 AM the Parish Center

Fraternally yours,

Frank Ingrassia, GK.

INSURANCE MATTERS

The Knights of Columbus policy on replacing existing life insurance is as follows: *“The Order does not condone the practice of soliciting replacement insurance or using cash values or dividends of existing policies to finance new business. In most cases, replacement is not to the policyholder’s advantage.”*

The reasons for this are many. First, premiums usually increase on a new policy because it is issued at an older age. The older you are, the more expensive life insurance is.

Many times, options available under the older policy are lost and sometimes not offered under the new policy. In addition, a new “incontestability” period begins with the new contract. The Order, for example, maintains the right to contest a claim up to two years from the issue date of the policy. A new policy brings with it a new issue date, and a new “incontestability” period.

You purchased the life insurance you have for a reason – probably a very good reason. It is a good idea to hold onto that coverage. That doesn’t mean you have all the coverage you need or will ever need.

I’ll be happy to meet with you at your convenience and perform a free, custom-tailored needs analysis for you and your family. My job is to determine any gaps in your existing coverage, and to help you to fill those gaps. It’s not to replace your existing coverage.

Please give me a call.
