**CHAPLAINS MESSAGE**

I'm not sure what it is, but I always have too much to eat on Thanksgiving. I don't know if it's the food, the tradition, or the cooler weather. It's just too tempting. It is possible to have too much of a good thing. I'll never forget the time I went to New Orleans with some classmates when I was in the seminary. On one of the nights we went to eat at a very fancy and expensive restaurant. The food was great, and all day I kept hearing about their special dessert, "mile high pie." Of course, I had to have some. Unfortunately, by then I was already full, but I also had to fight that part of me that learned to not waste food. To get right to the point, I was fuller than I had ever been then or even to this day. Yes, it is possible to have too much of a good thing. However, there is at least one exception. That one exception is gratitude. I don't believe it is possible to be too grateful. We certainly can fall short, but we can never take too much time to give thanks. This Thanksgiving, and every day, let's be careful not to eat too much, but let us also make sure we stuff ourselves with gratitude! We can never be too thankful. Happy Thanksgiving!

Msg. Ken

**INSURANCE MATTERS**

Believe it or not, the holiday season is upon us. A popular movie, shown often this time of year, is "It's a Wonderful Life." In it the lead character, in a moment of desperation, proclaims that "it would have been better if I had never been born." His "guardian angel" then gives him the opportunity to see how much different the lives of his friends and family would have been had he, in fact, never been born.

None of us will have that opportunity. But, like George Bailey, we do have a positive impact on the lives of our friends, our families, and those in our communities. We do this through our membership in the Knights of Columbus, by volunteering in our Churches and communities and, not insignificantly, by making sure we have enough life insurance.

Life insurance will allow your family to remain in their home, and maintain their lifestyle, if something should happen to you. It will guarantee a college education for your children, or even your grandchildren. It will ensure a comfortable retirement for you and your wife. It can even help your favorite charity to continue its humanitarian work.

No doubt about it – being an insured member of the Knights of Columbus helps make this a "wonderful life."

Bob Dodds (609) 978-6396

## MESSAGE FROM YOUR GRAND KNIGHT

We as a nation have been blessed by God for an abundance of crops, wealth and resources. The month of November we officially give thanks as a nation for our abundant harvest and to our God as we celebrate Thanksgiving Day.

But at the start of this great nation our Pilgrim fore fathers sailed across the vast ocean for the right to worship God in their own way. They brought food and live stock with them aboard those tinny ships so they could survive. Upon landing on shore they faced the unbroken forest and the ocean waves at their back. The food supply they carried did not last long and half the people starved and died before the first year. North America belonged to the first Americans, the native Indian. To survive they had to learn from the Native Americans living in the area. The Pilgrims learned how to provide food for their families by hunting, fishing and growing crops.

Today we visit our supermarkets and warehouse stores and find that abundance of food and other goods in a variety of packages on shelves and in refrigerators. This is something we have all grown to expect and some times we even get a little frustrated when we cannot find that special food item.

With the abundance of food we have in this country, people are still starving and in need of food, clothing and shelter. Our poor economic times with almost a 10% unemployment rate has shown its ugly face as it did during the depression times of the 1930's. The people next door may be one of those suffering from the lack of a job, not enough money to feed their family or even the loss of their home.

So I ask everyone to help out this November by bringing to our next meeting some canned food or dry goods to help with this growing problem. Also please remember to pray and ask for Gods help for our Country to prosper, for the safe return of our servicemen and women, and for our friends and neighbors who are in need of jobs and food.

Have a wonderful Thanksgiving Day and God Bless.

Fraternally yours,  
Frank Ingrassia, GK.

The Chief Counselor of the local Squires circle is John Sroczyński (609-698-5625).

## Special Notice to all Knights

Supreme and the State last year found it necessary to impose a new per-capita on every council. We were told it was a temporary measure. Last year we did not raise your dues and absorbed the fee, but this year we must pass along the increase. We don't like to increase your dues and we hope you understand our position. Your 2010 dues will be \$30 until further notice.

## "To Serve and Not be Served"

The Knights of Columbus are known for Charity and for keeping our fellow man's well being in our mind always. So with that thought in mind, we are asking every Knight to bring to the November meeting a non-perishable food item. Canned vegetables, soup, fruit, cereal, and anything like that a needy family can use. The items will be donated to St. Vincent de Paul and other food banks that are in need.

## Melvern Retreat

This is a fantastic opportunity to answer God's call to meditate, relax and get closer to Him. Isn't it about time? Your private adoration time will be unforgettable.

Open to all men (they do not have to be Knights) Come & bring a friend. Reservation only requires a \$25 deposit. Balance is a confidential offering at the end of the retreat. Transportation will be provided.
