**CHAPLAINS MESSAGE**

February 11 is the Feast of Our Lady of Lourdes. It is also observed as the World Day of the Sick. On that day, the Pope and our own Bishop will offer prayers and blessings for all who are ill, but also their caregivers and healthcare providers. Unfortunately, there have been a large number of brother Knights of late who are facing serious health problems and surgeries. It is a sacred duty, and also an expression of Charity, to pray for them. It is also important, I believe, as Knights to keep in our prayers and to support all those who work in the health field and for family members who must give so much of themselves to care for sick relatives. Both are faced with great stress and are often confronted with difficult moral decisions. Any encouragement and prayers we offer is so vital. I complement our Council on the concern you continually demonstrate through e-mails, prayers, and visits. Perhaps we can do even more to support our brothers in need. We might establish a regular system of sending cards or even creating a visitation committee to regularly check on those who are ill or caring for sick family members. It would be wonderful to one day sponsor an event for healthcare provides, doctors, nurses and others, in our community as an expression of gratitude and support. "For this World Day of the Sick I offer an affectionate greeting to all health workers, volunteers and all of those who dedicate themselves with love to care for and sooth the wounds of every sick brother and sister, in hospitals or nursing homes, in families: in the faces of the sick know how to see always the face of faces – that of Christ." (From the Vatican, for World Day of the Sick 2011)

## MESSAGE FROM YOUR GRAND KNIGHT

Our recent annual trip to Washington DC in support of the “Right to Life” was exhilarating and high spirited. That feeling was partly due to the morning ten degree temperature. After mass and Monsignor Ken’s blessing we were on the bus and off to Washington to do God’s life saving mission. Once at our destination we joined other Knights of Columbus councils, Priests’, clergy, church groups and young school people from all over the country. I must say everyone was up lifted and ready for the peaceful walk to the Capital Mall, even the temperature was on our side reaching thirty-eight degrees. It was a sea of people as hundreds of thousands of supporters carrying signs of Pro-Life and “Abortion is Murder” could be seen everywhere. I hope one day in our life time our legislators will see and understand a simple fact, that life starts at conception and reform the law and permanently ban abortion.

I want to thank Frank DeSena and Jim Perko for their hard work and efforts in making this trip once again a safe and successful one.

Life is an opportunity, benefit from it.

Life is beauty, admire it.

Life is bliss, taste it.

Life is a dream, realize it.

Life is a challenge, meet it.

Life is a duty, complete it.

Life is a game, play it.

Life is a promise, fulfill it.

Life is sorrow, overcome it.

Life is a song, sing it.

Life is a struggle, accept it.

Life is a tragedy, confront it.

Life is an adventure, dare it.

Life is luck, make it.

Life is too precious, do not destroy it.

Life is life, fight for it.

*Mother Teresa*

We make a living by what we get; we make a life by what we give.

*Winston Churchill*

Let us not forget our Sweetheart Deborah Hospital benefit on the 12<sup>th</sup> this month. Without those doctors and staff some of us might not be able to enjoy today’s fruits of life.

Thanks and God Bless you all

Fraternally yours,

Frank Ingrassia, GK.

## INSURANCE MATTERS

The laws and rules of our Order, as well as state (provincial) laws, specify that the Knights of Columbus may accept insurance applications from members only. As a member, you may apply for insurance on yourself, your wife and your minor children.

The Order's Board of Directors has taken action, though, to assure that a Knight's widow maintains the right to purchase additional insurance for a limited time. This can be of great benefit and comfort to those we leave behind.

This "right to apply" is available only to the widows of insured members. If a member has not availed himself of our highly rated life insurance program, or purchased an annuity or long-term care policy, this benefit is not available to his widow.

But if the member was an insured member, his widow has the right to apply for additional insurance on her life and on the life of the member's minor children. This right must be exercised within one year following the Order's receipt of proof of the insured's death.

Know two things. First, I'll assist your widow and children in any way possible if you should die, both with your Knights of Columbus insurance and any other life insurance you may have. Second, I'll provide them my best professional advice and service, to assure that they have adequate insurance protection.

Please give me a call.  
Bob Dodds (609) 978-6396
