CHAPLAINS MESSAGE

One of the highlights of March is the celebration of St. Patrick's Day. Perhaps because it helps break up the winter months or the sacrifice of Lent, it is a holiday that everybody enjoys. Whether it's a parade, a corned beef and cabbage dinner, or just wearing green, it's a treasured tradition and all in good fun. However, most have forgotten that the day honors a truly remarkable saint. Here is a man who single-handedly converted an island and brought Christianity to a whole country. To this day, thanks to his efforts, Ireland is still known as a Catholic country. He certainly can serve as a model and patron for our efforts to serve the Church and spread the faith. There is a prayer attributed to him, and it happens to be one of my favorites. As we honor St. Patrick, let us also ask his intercession to help us imitate his efforts and convert many to Christ. From the "Breastplate of St. Patrick":

Christ shield me this day: Christ with me, Christ before me, Christ behind me, Christ in me, Christ beneath me, Christ above me, Christ on my right, Christ on my left, Christ when I lie down, Christ when I arise, Christ in the heart of every person who thinks of me, Christ in the mouth of every person who speaks of me, Christ in the eye that sees me, Christ in the ear that hears me. Amen.

MESSAGE FROM YOUR GRAND KNIGHT

There was once a poster in the United States post office informing citizens that it is a violation of federal law to Kill an eagle. More over, the law extended its protection to eagle eggs, that is a unborn eagle. Isn't that ironic, that we pass laws to protect unborn birds, but there is no protection for unborn baby's (humans) Pope John Paul said "all human life, from its conception and through all subsequent stages-is sacred, because human life is created in the image and likeness of God. Nothing surpasses the greatness or dignity of a human person. keep praying brothers, to end this culture of death. Vivat Jesus ,yours in Christ Al Del Tufo Grand Knight

INSURANCE MATTERS

Whole life insurance calls for premiums to be paid for your entire life, or to age 100. You may want to consider a permanent life insurance product – one with guaranteed cash values – that offers a limited period of premium payments. The Knights of Columbus offers three permanent life insurance products for which premiums do not have to be paid for all of life.

“Twenty Pay Life” is exactly as the name suggests – a permanent plan with premiums payable for only 20 years. After the premiums are paid for the 20 years, the plan is “paid up” and no more premiums are due. Unlike its term counterpart, however, the plan stays in force, the death benefit remains intact and the guaranteed cash value continues to grow.

Another such plan is our “Life Paid Up at 65.” You buy this permanent product and you only pay premiums to age 65. Then, premiums stop (just in time for retirement), but the plan remains very much in force.

Finally, the ultimate in limited pay is our Single Premium Life product. Imagine buying life insurance – permanent life insurance – and only paying one single premium? It’s possible.

I have detailed information on all of these products. At your convenience, I’ll meet with you and your spouse to perform a free, custom-tailored needs analysis, to help determine which of our many life insurance products is right for you and your family.

Bob Dodds (609) 978-6396

The dignity of man rests above all on the fact that he is called to communion with God. This invitation to converse with God is addressed to man as soon as he comes into being. For if man exists it is because God has created him through love, and through love continues to hold him in existence. He cannot live fully according to truth unless he freely acknowledges that love and entrusts himself to his creator.

Paddy was driving down the street in a sweat because he had an important meeting and couldn't find a parking place. Looking up to heaven he said, "Lord take pity on me. If you find me a parking place I will go to Mass every Sunday for the rest of me life and give up me Irish Whiskey!" Miraculously, a parking place appeared. Paddy looked up again and said, "Never mind, I found one."

NEVER TO BE LOVED

Never to be loved

Never to love

Never to crawl, or walk or run

Not the chance to be warmed by the light of the sun.

The crime of being, these small harts offended

The sentence so harsh yet so accepted.

Who will speak for them?

Who will remember the ones with no names?

We must remember

and loudly proclaim.

That no right of theirs is stronger

Nor more justly decreed

Then the right to life

The right to be.

For one short moment

These little souls came

And in the end, to them and him

We all must explain. SKJDP

Gallagher opened the morning newspaper and was dumbfounded to read in the obituary column that he had died. He quickly phoned his best friend, Finney.

"Did you see the paper?" asked Gallagher. "They say I died!!!"

"Yes, I saw it!" replied Finney. "Where are ye callin' from?"
