CHAPLAINS MESSAGE

Thanksgiving is a favorite holiday for many reasons. It's a traditional time for family and friends to spend time together, the food is always great, it reminds us of the beginnings of this wonderful nation, and it is the official start of the holiday season. In keeping with its' name, most people do indeed take some time on that day to give thanks. However, as obvious as it is, it bears repeating that as Catholics, thanksgiving should be a daily routine. Every Mass is a prayer of thanksgiving. Even beyond that, being grateful is like eating. We need to eat every day and eat healthy food. If we don't, we will suffer. In exactly the same way, we need to give thanks each and every day, even several times a day, and our prayer needs to be more than just a quick one. When we neglect that, it takes a toll on us spiritually and emotionally. Conversely, just as when we eat regularly and well, we become stronger and healthier. As Knights, we should be good examples of what it means to be Catholic, and that means being people of gratitude. In fact, it should be noticeable to others that we are thankful, which becomes infectious. The alternative is not very appealing. People that fail to give thanks regularly can become chronic complainers. They are no fun to be around, and they can take the life out of any meeting or organization! So, have a great Thanksgiving, but keeping being grateful each and every day

Father Ken, Chaplain

MESSAGE FROM YOUR GRAND KNIGHT

Oct.13Th, what a beautiful day, until 10:pm. Our dedication of the bell tower, was very special, I am very grateful to Bishop Smith for tacking time out of his busy schedule, and Fr. Ken, for the beautiful mass, and all of my brother Knights for coming out in force, every one saw the color corp. but you knights not in the color corp. were still very impressive, you came in big numbers, and I thank you all. We had our rose for life weekend also, and again I thank all the brother Knights in St. Mary's, St. Theresa's and St. Francis for all their help. Because of you, and the Parishioners we collected \$3,400.00. That's the most ever. God bless everyone involved. Then came 10:00pm. As you know, my Mother in law has been on our prayer list for some time now, well now we need to pray for her soul, she passed peacefully at 10:00pm Oct.13th 2007, may she rest in peace. God Bless you all. Vivat Jesus Al Del Tufo G.K.

INSURANCE MATTERS

Believe it or not, the holiday season is upon us. A popular movie, shown often this time of year, is “It’s a Wonderful Life.” In it the lead character, in a moment of desperation, proclaims “it would have been better if I had never been born.” His “guardian angel” then gives him the opportunity to see how much different the lives of his friends and family would have been had he, in fact, never been born.

None of us will have that opportunity. But, like George Bailey, we do have a positive impact on the lives of our friends, our families, and those in our communities. We do this through our membership in the Knights of Columbus, by volunteering in our Churches and communities and, not insignificantly, by making sure we have enough life insurance.

Life insurance will allow your family to remain in their home, and maintain their lifestyle, if something should happen to you. It will guarantee a college education for your children, or even your grandchildren. It will ensure a comfortable retirement for you and your wife. It can even help your favorite charity to continue its humanitarian work.

No doubt about it – being an insured member of the Knights of Columbus helps make this a “wonderful life.”

Please give me a call.

Semi Useless Information

Q: Why do X's at the end of a letter signify kisses?

A: In the Middle Ages, when many people were unable to read or write. Documents were often signed using an X. Kissing the X represented an oath to fulfill obligations specified in the document. The X and the kiss eventually became synonymous.
